

## CAP Registration Form

OFFICE USE ONLY:

ZONE \_\_\_\_\_

*The Classroom Agriculture Program (CAP) is a free, one hour, hands-on presentations about agriculture. Since 1985 volunteers across the province have taught grade 4 students the importance of agriculture in their daily lives. CAP is a multi-commodity initiative endorsed by Alberta Education and Alberta Agriculture and Rural Development.*

**Registration occurs between September and November of each year.**

Presentations are delivered between March and June of each year.

You must complete this form yearly, **FOR EACH GR. 4 CLASS**, in order to receive the program.
